If your job requires you to work in the suburbs you may be able to use the Metra regional train lines and more info can be found here: <http://metrarail.com/metra/en/home.html>

If you absolutely have to have a vehicle here or can't bear being apart from one for the summer, we recommend visiting www.spothero.com to search for the closest and cheapest monthly parking available.

If a mutual request is received from people on different sides of 21, you will be contacted and discouraged from this rooming situation. If you decide to proceed with this rooming situation, your room will be a "dry" room.

If an alcohol policy violation is found, Alcohol may be disposed of appropriately and immediately by the residents and/or guests per staff instruction.

Only Individuals who are 21 or older may bring alcoholic beverages into the building. Beverage containers must be closed upon entering the building.

If you have purchased alcohol and are bringing it back into the building, you and anyone with you will be carded by security. If you and all parties with you are 21, you will be allowed to take the beverages to your unit. If you are not 21, the alcohol will be confiscated.

Each long stay resident is allowed to have up to 2 overnight guests over a maximum of 3 nights within a 2 week period.

Hosting guests is a privilege extended to long-stay residents provided rules are followed. Guests of UC residents are generally allowed at any time within the guidelines specified below. These guidelines have been developed primarily to enhance building security and safety, but also to honor the preferences of suite/apartment-mates. **No guests are permitted in a resident's room, even temporarily, without the consent of all suite/apartment-mates.** Residents are encouraged to talk with suite/apartment-mates and agree to guidelines for visitation by guests within the suite/apartment prior to guests' arrival. It is a privilege, not a right, to have guests in the UC. It is the right of a resident of any room or suite to feel safe, secure and respected in their assigned space.

Guests may be requested to leave at any time at the request of a room/suitemate. Refusal to comply with this request may result in the immediate removal of the guest from the building and a loss of guest privileges for the host.

- At all times, guests must present clear government-issued photo-identification, sign-in at the University Center Security Desk upon arrival and return their guest pass upon end of stay.
- Guests must be escorted by their assigned host at all times throughout the building and may not use another's UC ID or guest pass to access facilities.

UNIVERSITY CENTER

- The registration of underage guests, with or without valid state issued ID, is subject to parental or guardian verification. Phone numbers or written permission and contact information will be necessary to ensure a smooth registration process for all involved. During busy times, you may experience delays with the check-in process. The process is intended to help control building access to only those authorized to be in the building. Your patience and cooperation are appreciated!
- Residents are responsible for the conduct of their guests and will be held personally responsible for compliance with all policies and procedures by their guests. Hosts can be held accountable for any violations/behaviors where their guests are involved or responsible. If you have any concerns about controlling the behavior of your guests, please contact UC security for assistance.
- Guests are not permitted for short-term housing groups or individuals (less than 14 day stay). Please check with your conference leader if you are unsure of your groups' visitor policy.
- UC management will monitor Room Capacity for code violation and may reject a guest sign-in if too many guests have already been signed into a room. This is per city of Chicago code regulations.

Hosting guests is a privilege, and UC Management reserves the right to revoke this privilege from any resident at any time. Guests found unescorted or suspected of manipulating the guest registration system and/or in violation of any UC policies may be removed from the facility immediately, potentially banned permanently, and may cause their host to lose their guest privileges.

No resident may serve as host/hostess to more than three guests at any one time (three guests for day visits, two for overnight visits). Any exceptions must get the approval of UC Management.

Overnight guests (defined as non-residents in room after midnight) may stay no longer than three nights in a fourteen day period before another overnight visit to the same or any other resident in the building, except with the prior written approval of UC Management.
